

CALL FOR PAPERS

3rd MEETING ON TRANSPORT ECONOMICS AND INFRASTRUCTURE

Barcelona, January 18, 2019

The aim of this meeting is to discuss recent research in the area of transport and infrastructure economics. The meeting will focus on issues related to pricing, investment and competition, but research papers in other areas of transport economics and infrastructure analysis, both from empirical and theoretical perspectives, are also welcome. Between 10 and 12 papers will be accepted for presentation and discussion at the meeting, which will take place during a single day at the Faculty of Economics of University of Barcelona (Av Diagonal 690, Barcelona).

Keynote speaker: Bruno de Borger (University of Antwerp)

Main topics of interest:

Infrastructure investment and finance	Public transport: performance, efficiency and regulation
Pricing issues in urban transport	Governance, ownership and competition issues in transport
Air transport and airport management	Energy and environmental issues in transport
Freight economics and urban logistics	Railway economics: infrastructure access and competition
Maritime transport and port economics	

Submissions

Papers should be sent to ieb.workshop@ub.edu by October 29, 2018. Only papers presented in PDF format and no longer than 30 pages will be considered. Papers will be evaluated by the scientific committee. The acceptance decision will be notified to authors by November 26 2018. Free accommodation for one night (before or after the day of the Meeting) will be provided to presenters of accepted papers. Presenters may be asked to act as discussants of another paper. Further information about the workshop will be available at the workshop webpage, accessible through the IEB website: www.ieb.ub.edu
